12 Months of Israel The Hebraic Calendar

The Tribe of Levi does NOT have a month.
They were given all 12 months to watch over

Symbol for Levi is The Breastplate

The symbol of Levi is the breastplate, which holds the twelve different stones on which are engraved the names of the tribes of Israel, joining Manasseh and Ephraim under the name of Joseph. The breastplate was of utmost importance.

Exodus 28:15: And you shall make the breastplate of judgment with cunning work; after the work of the ephod you shall make it; of gold, of blue, and of purple, and of scarlet, and of fine twined linen, shall you make it.

Exodus 28:17-20, 22, 29 gives us the names of the twelve different gemstones that were set in it, one for each tribe.

Exodus 28:30 "And thou shalt put in the breastplate of judgment the Urim and the Thummim; and they shall be upon Aaron's heart, when he goeth in before the Lord: and Aaron shall bear the judgment of the children of Israel upon his heart before the Lord continually."

This symbol is one of the most beautiful in Israel because it shows the loving care that the Lord has for each one of the tribes. Jesus has us upon His heart at all times. Aaron carried these tribes always over his heart. When he came before the Lord., he carried them upon his heart. They were chained in place with rings, fastened to his ephod. He could only remove them when he left the tabernacle. The true Levite will always carry the ministry, which the Lord has given him upon his heart. He will not be able to lay it down day or night.
