

TRIBES GATHERING:
Advancing the Kingdom Right Here,
Right Now

Conference – January 20th & 21st

YOU ARE INVITED

- What is God saying to us here in Northwest Washington for 2023?
- More specifically what is he saying to his people here in the Seattle-Tacoma area.
- What is he asking us to do in order to advance the Kingdom of God right here, right now?
- How does He want us to influence our communities with Kingdom culture?
- What does the Kingdom of God look like in our families – churches – schools – workplaces – local and state government?
- How does Kingdom culture respond to community problems such as poverty, homelessness, crime, sex trafficking, drug & alcohol addiction and much more?

And a key, “We’ve never been this way before” question:

- How do our individual Tribes (churches/ministries) fulfill each of their unique destinies and yet work alongside each other as one body, as one Ekklesia, to prepare the way of the Lord and open the gates for the King of glory to come here?

This is what this conference is about.

- Leaders from each Tribe represented are leaning into the Spirit of God to hear what He is saying. They are asking Him for direction and strategy for how we can utilize the gifts and strengths of our individual tribes to comprise a whole army suited for war, to take back from the enemy what he has stolen and to establish the King's character, heart, and will in our region right here, right now.

Come expecting to receive fresh strategy, to connect with other brethren with the same passion and fire that you have, and to gain renewed hope in God's promises for the Seattle-Tacoma area and Washington state!
